THE SCHEDULE

 Apprenticeships

There's less than a week to go until National Apprenticeship Week 2021 so we thought now would be the perfect time to drop our events schedule! The amazing news is that all of our activities are virtual, free, and there's something for everyone. It's the perfect week for everyone to learn even more about apprenticeships.

All of our events are below, just click on them to find out more or register, or [click here](#) to view and register for all of our events.
