Access arrangements for technical, vocational and apprenticeship providers

St. Edmund Campion Catholic High School use the Gatsby 8 Benchmarks to inform the provision of Careers Education, Information and Guidance (CEIAG) delivered. As part of our commitment to informing students of the full range of learning and training routes available we consider requests from training providers, vocational education routes and apprenticeship providers to speak to students and will also approach these partners ourselves when planning and organising key CEIAG events throughout the school year.

Opportunities for access

A number of opportunities exist within the CEIAG programme which may be suitable for providers to visit the school to speak to students. These include:

Events	Description	Dates 19/20
The National Collaborative Outreach Programme	The National Collaborative Outreach Programme (NCOP) brings together 29 partnerships of universities, colleges and other local partners to deliver outreach programmes to students in years 9 to 13. With a view to reduce the gap between the most and the least represented groups. Funded by Aimhigher, work is focused on local areas where higher education participation is lower than might be expected given the GCSE results of the young people who live there. A formal or informal gathering with NCOP students in years 9 -13 could take place.	Throughout the year
Assemblies	A formal opportunity to speak to students regarding your offering. Assemblies within themed and appropriate weeks relevant to students will be considered. For example, National Careers Week.	Throughout the year
Super Learning Days	Five days each academic year the timetable is collapsed for an alternative curriculum delivery based on PSHCE and CEIAG. A formal or informal gathering with certain year groups or students could take place at this time.	17 th October 14 th January 10 th March 25 th June 3 rd July
Post 16 Options Evening	St. Edmund Campion Sixth Form hosts a post 16 evening for parents in which providers may wish to attend to inform students about their technical, vocational or apprenticeship route. There is also an opportunity for post 18 providers to attend to inform students of options available for life after year 13.	21 st November

All requests should be emailed at least 6 weeks in advance of an expected date for the planned session. All requests will be given due consideration from the designated Careers Leader and Senior Leadership. Requests will be refused if:

- they impinge on students preparation for public or internal exams
- they clash with other planned school events
- the school is unable to provide staff to support the event
- rooming is unable to be found due to timetabling clashes

In the first instance, requests by providers should be sent to the designated Careers Leader Miss L Fisher via fisherl@stedcamp.bham.sch.uk. For questions on this or the wider CEIAG programme at St. Edmund Campion Catholic High School, please do not hesitate to get in contact.
