Welcome

Welcome to the 2nd edition of the SEN newsletter. Below you will find some useful resources, tips and hints while we're in these unprecedented times

Free Resources

Continuing on from last issues free resources:

Agendaweb offer great English resources to help students revise and practice their English skills. This is particularly recommended for our students with English as an Additional Language:

Keeping Safe

With the weather getting warmer and time that we are being asked to stay at home getting longer it is tempting to go out and children will particularly want to see their friends, however it is important to remember the Government advice

Covid 19 Social Story

- Coronavirus can be called "Covid19".
- Coronavirus is a new type of flu.
- A flu will make you feel sick, but it is ok, you will feel better again.

- I can keep safe from Coronavirus by washing my hands with soap and water.
- I will wash my hands before I eat my food.
- I will wash my hands after I sneeze, blow my nose or touch my mouth.
- I will wash my hands after I go to the toilet.
- I will be safe with my lovely clean hands.

- I will not bite my nails or put my hands in my mouth.
- I will cover my mouth when I cough or sneeze.
- If I am not feeling well, I will tell a grown-up.
- I will not give my friends or staff high 5's, hugs or fist bumps until everyone is feeling better.
- I can do other things to be friendly, like give them a wave, an elbow bump or a dab!

Unhealthy choices

Healthy choices

- My school might need to close for a while- everyone will stay at home instead.
- It will be closed to let everyone get better.
- A grown-up will let me know when I can go back to school.

- Just like other types of flu, coronavirus will go away soon.
- I don't need to feel worried, but if I do I can talk to an adult.
- I will keep safe! Hurray!
